“Learning by Doing”

Realizing that many students are not taking their home assignments very seriously and most of them are depending on their friends and the social media to complete their home work. To overcome this issue, the management has introduced “Learning by Doing” program for students of classes IX - XII, in the school from 1/11/23. This will be done by conducting the class during the first Period after Lunch. Students will be divided into small groups and questions are given to discuss in the groups and to do the answers independently. Those students, who are weak in Science and Mathematics subjects, teacher will help him/her to understand and to do under his/her supervision. Our intention is that our students should appear in the board exams fearlessly. We earnestly request to you dear parents, please extend your support by making sure that your ward is spending 4-5 hours every day to read and write at home under your supervision.

Thank you.

With regards,

Principal

“ROCKFORDIANS DIWALI & CHILDRENS DAY CELEBRATION”

We Rockford Senior Secondary School, Celebrated Diwali and Children's day Celebrated with greater enthusiasm. Children's expressed their joy and happiness by giving numerous performances. Teachers entertained the Children's by performing a skit and dance. Our Chairman blessed the children's in the special occasion to get success in their future

DIWALI AND CHILDREN'S DAY CELEBRATION- 2023

KINDERGARTEN & CLASS 1 CHILDREN

ROCKFORDIANS DIWALI & CHILDREN'S DAY CELEBRATION - 2023

"Sports Activity"

We, Rockford Sr. Sec. School give opportunity to the students to explore their skills beyond our school. There are 50 students from our school participated in the Inter School sports meet on 3rd and 4th November 2023 which was conducted by Advait International School. We have bagged 40 placements which consist of 9 Gold Medals 16 Silver medals 15 Bronze medals. Management and the teachers congratulated all the children for their continuous hard work and determination.

"LIBRARY BEST BOOK REVIEWER"

The best friend of human is books. To know the quality of the content we have a quick look at the review part. Our Rockfordians proven again not only by reading or by writing, they proved that they are excellent book reviewer.

Library Best Book Reviewers are: Kumari. Geetha Priya of class XI. Kumari. S. Payal Kumari of class VI and Kumari. R. Varnitha VIII.

Library Best User: King. M. Niranjan Kumaar of class XI.

"NATIONAL LIBRARY WEEK DAY COMPETITION"

National Library Week is an annual celebration highlighting the valuable role libraries, librarians, and library workers play in transforming lives and strengthening our communities. Library week celebration is a boost to promote the reading habits among the students.

Activities planned during National Library Week

Creative Story Telling – Classic Story,

Poem Recitation – Festival Fiesta,

Role Play – Prose/Supplementary Stories,

Art – Paint your Favourite Story,

Public speaking – The Role of Libraries in Education and

Poetry Writing – About our School Library, My Dream Library

COMPETITION WINNERS

“LITTLE ROCKFORDIANS TRIP”

Travel is not reward for working. It's education for living.

Here our little Champs travelled to **VATIKA GARDEN** for the Educational Field Trip. It was significant for **Kindergarten** and **Class I - III** children in several ways. This trip offers diverse learning opportunities, improves health and allows children to get an authentic experience that is essential to the self-confidence of the children.

Little RockForDians - Kindergarten

Little RockForDians - CLASS I -III

TEACHER'S CORNER

As I saw the original image of this in a magazine, I felt that even Lord Buddha is relaxing. My thoughts flew out my busy routine and wanted to relax. I took a piece of paper, pencil and started drawing. After few hours, almost the same Relaxing Buddha formed on my paper. A big relief and happiness in my mind.

With proud and peace of mind I restarted my routine. It made me fly with more energy and enthusiasm. Art has no limitations or restrictions. My thoughts and ideas, my time and pleasure, my passion and recreation.

Take a break from your busy routine and have your own time to be yourself

Why Is Fun In Learning Important?

Life without laughter, entertainment and fun would be grey and downright dull. And we can all agree that life's too short for boring! As such, it only makes sense to ensure your learning is fun.

A study in *The Journal of Experimental Education* found that students scored higher in their final assessment when the lecturer used humour in their lectures.

In her book, neurologist Judy Willis showed how fun experiences increase levels of dopamine, endorphins, and oxygen. These hormones are all important for successful learning. When learning is fun, you can see a positive influence on both your learners and the organisation. After all, fun has a positive effect on motivation levels, determining what we learn and how much we retain information.

STUDENT'S CORNER

"Nothing Can Dim the Light Which Shines From Within"

Through times of deep sorrow,
People assumed her as a hollow.
She doubted herself looking at the sky,
Afraid to let her true self fly.
A spark that stretched to a great length,
Which made her find her inner strength.

With each step, shedding doubts that once held
her near, she faced her fear.
Her confidence grew and shined
Revealing a unique and bright girl who grinned.

Through difficulties and tears,
she learned to stay strong,
And overcome her fears.
Insecurity no longer held her back,
A confident girl, on a self-assured track

- Renu Shree.R
Class - VIII

"Every Creation of the Almighty is Unique"

The Almighty created a massive
surrounding
But there is no light
He created a bright sun
He created a bright moon
It was a space of 14.3 billion parsecs
Would he leave it empty?
So he created the planets
he created countless asteroids
but still there was no force or energy
So he created a gravitational force
He created an invisible force for planets
He gave powers to them.
But still he wasn't happy
He wanted to do something interesting,
So he gave specialities to one of the planets
It was the Earth
He created humans on it
He gave them water
He gave them food
He gave them air
He gave them oxygen.
Humans grew and became negative species
When universe is such an enormous place
Imagine us being deep inside it?
Isn't it crazy?
We are smaller than ants in the universe
But why are we still sleeping in a negative
illusion circle
Where does the jealousy, selfishness
Cruelty, betrayal, hatred and greediness
Come from in this large universe.
Where we are smaller than ants.

-Likitha. V
Class - VIII

WORLD COMPUTER LITERACY DAY - 2023

Computer is a part and partial of all our lives. No person can complete his day without the knowledge of computer and internet.

To celebrate such Computer Literacy Day- 2023, Computer department of Adhiyamaan College of Engineering, Hosur has organised Speech competition, Essay competition, Poster making competition, Quiz and Project presentation for all students. Students of Our school (Class XI both science and commerce stream) has taken part with zeal.

Achievements: Geethapriya C of XI Science (PCBC) has won the third place among hundreds of competitors in Essay competition.

Aadithya Kumar of XI Science (PCMC) has given a feedback speech and got hearty wishes from all.

All participants received their participation certificate.

Our school management and teachers have congratulated all our growing charms on their extracurricular activities.

Rockfordians always come with a great idea and fly high with vibrant colours.

FIT INDIA SCHOOL WEEK - 2023

Fit India Movement aims at behavioural changes - from sedentary lifestyle to physically active way of day-to-day living. Fit India would be a success only when it becomes a people's movement.

Being physically active can improve your brain health, help manage weight, reduce the risk of disease, strengthen bones and muscles, and improve your ability to do everyday activities.

Fit India Slogan Healthy people, healthy families, and healthy society. Health is wealth • The bad work out is no workout • Don't be a brat, burn that fat • Fitness is not a destination it is a way of health. Commit yourself to be healthy and fit.

"Learning Never Exhausts The Mind"

Class: V

Subject: English

The primary purpose of descriptive writing is to describe a person, place or thing in such a way that a picture is formed in the reader's mind. Here our students of Grade - V have done a beautiful picture description on Marine creatures for the lesson "Underground" and they've explored about the pollution that affects the marine creatures and have given their own suggestions as well as ideas to save those marine creatures from water pollution.

"English - A Subject of Excellence & Pride"

Class: VI

Subject: English

Story mapping allows a child to visualise story characters, events and settings. It is a way to increase a child's ability to comprehend and to organise their thoughts and sequencing of main events. Here our students of Grade - VI have done a creative story mapping for the lesson "What happened to the reptiles" and have summarised the story in an efficacious manner. Such activity develops their comprehension skills.

"What Keeps Life Fascinating Is the Constant Creativity of the Soul"

Class: VII

Subject: English

Art encourages students to think imaginatively and develop fine motor skills. Simultaneously, communicating ideas through aesthetics. Here our students of Grade - VII have done a beautiful art on five cosmic elements for the lesson "Fire: Friend & Foe" and shared about the inspired things that they felt from those elements which adds values to their life.

"Design Your Creative Brochure"

Class: VIII

Subject: English

A brochure is a small book or magazine containing pictures and information about a product or service. This includes features, benefits, prices, food, and any other relevant information that will help you convince the reader, and differentiate you from your competitors. Here our students of Grade - VIII have made a fabulous brochure on their favourite tourist spots or amusement parks and have explained their brochure in an enthusiastic manner. Such activity develops their creative thinking and presentation skills.

"Goodness Award"

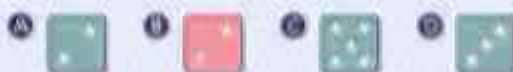

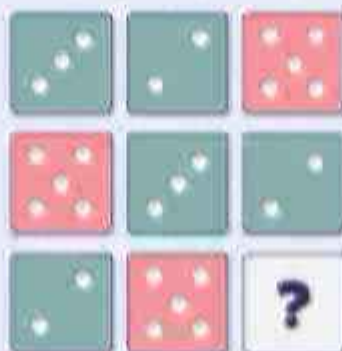

Our Students always stand in frontline for humanity and service.

Vignesh of Class XI Science exhibited such a helping hand to the driver. In absence of conductor his regular bus faced unexpected road traffic. He analysed the situation and volunteered the responsibility, cleared the traffic jam and helped the driver.

MYSTERY CHAMBER

Guess the missing dice to complete the set.

WEEKEND READING

"தனிநபர்களைக் கொல்வது எளிது ஆனால் எண்ணங்களைக் கொல்ல முடியாது"

இந்திய விடுதலைப் போராட்ட வீரர்களுள் உண்மையான வீரனாக வாழ்ந்து நாட்டிற்காகப் போராடி மடிந்தவர்கள் பலர். ஆங்கில ஆட்சியை வெளியேற்றி இந்தியாவை சுதந்திர நாடாக்க ஆயுதமேந்தி போராடிய புரட்சி அமைப்பான 'இந்துஸ்தான் சோசலிசக் குடியரசு' அமைப்பின் தலைவர்களுள் ஒருவர். கடுமையான போராணி, தீவிர எதிர்ப்பாளர், உண்மையான ஜனநாயகவாதி என ஆங்கில ஆட்சிக்கு சிம்மசொப்பனமாக விளங்கிய மாவீரன் தான் பகத்சிங்.

'சாஹீது பகத்சிங் என அழைக்கப்படும் பகத்சிங் அவர்கள், 1907 - ஆம் ஆண்டு செப்டம்பர் மாதம் 27 - ஆம் நாள், இந்தியாவின் பஞ்சாப் மாநிலத்தில் லயால்பூர் மாவட்டத்திலுள்ள 'பங்கா' என்ற கிராமத்தில், சர்தார் கிசன் சிங் என்பவருக்கும், வித்தியாவதிக்கும் இரண்டாவது மகனாக ஒரு சீக்கிய குடும்பத்தில் பிறந்தார்.

பகத்சிங்கின் குடும்பம் ஒரு விடுதலைப் போராட்ட வீரர்களைக் கொண்ட குடும்பம் என்பதால், இளம் வயதிலேயே நாட்டுப்பற்று மிக்கவராக விளங்கினார். லாகூரில் உள்ள டி.ஏ.வி பள்ளியில் கல்வியைத் தொடங்கிய பகத்சிங் அவர்கள், லாலா லஜபதிராய் மற்றும் ராஸ் பிஹாரி போஸ் போன்ற அரசியல் தலைவர்களிடம் நட்புறவு கொண்டிருந்தார். 1919 - ஆம் ஆண்டு, இந்தியாவின் அம்ரித்சர் நகரில் ஜாலியன் வாலாபாக் என்ற இடத்தில், ஆயுதம் ஏதுமின்றி கூட்டத்தில் பேச்சை கேட்டுக்கொண்டிருந்த ஆண்கள், பெண்கள், குழந்தைகள் என பாராமல், ஆங்கில அரசு, 'ரெஜினால்ட் டையர்' என்ற ராணுவ அதிகாரியின் தலைமையில் அப்பாவி மக்களைக் கொன்று குவித்தது அப்பாவி மக்கள் பீது நடத்தப்பட்ட இந்த தாக்குதலைக் கண்டு நாடே கொதித்தது. இந்த கொடூரமான படுகொலை, பகத்சிங்கின் மனதில் பெரும் மாற்றத்தையும் விதைத்ததோடு மட்டுமல்லாமல், தீரத்தம் படிந்த மண்ணை ஒரு புட்டியில் அடைத்து எடுத்துவந்து தன்னுடன் வைத்துக்கொண்டு, அவர் வெள்ளையர்களை விரட்ட சபதமும் பூண்டார். தன்னுடைய பதின்மூன்று வயதில், மகாத்மா காந்தியின் ஒத்துழையாமை இயக்கத்தில் இணைந்த பகத்சிங் அவர்கள், 1922 - ஆம் ஆண்டு கோரக்பூரில் நடந்த 'சௌரி சௌரா' வன்முறைக்கு எதிராக காந்தியடிகள் ஒத்துழையாமை இயக்கத்தை நிறுத்தியபோது, பகத்சிங் பெரிதும் ஏமாற்றம் அடைந்தார். அகிம்சை வழியில் சென்றால் சுதந்திரம் பெறமுடியாது, ஆயுதம் தாங்கினால் மட்டுமே சுதந்திரம் பெறமுடியும் என முடிவுக்கு வந்தார்.

1928 - ஆம் ஆண்டு, "சைமன் கமிஷனை" எதிர்த்து காங்கிரஸ் போராட்டத்தில் ஈடுபட்டனர். அந்த போராட்டத்தில் காங்கிரஸ் தலைவர் லாலா லஜபதிராய் பேரஸிஸாநால் தடியடிப்பட்டு இறந்தார். இதனால் கோபம்முற்ற பக்தசிங்கும், ராஜ்குருவும் இணைந்து லாலா லஜபதிராய் இறப்புக்கு காரணமாயிருந்த காவலதிகாரியான சாண்டர்ஸை கட்டுக் கொண்டு விட்டு தலைமறைவாயினர்.

சென்ட்ரல் அசெம்பிளி ஹாலில் வெடிகுண்டு வீசியது மற்றும் துண்டு பிரச்சாரம் போட்டு "இன்குலாப் ஜிந்தாபாத்" என்று முழக்கமிட்டு தானே சரணடைந்த பின்னர், காங்கிரஸ் தலைவர் லாலா லஜபதிராய் என்பவரின் இறப்புக்கு காரணமாயிருந்த காவலதிகாரியை கட்டுக்கொன்ற குற்றத்திற்காக தூக்குத்தண்டனை விதிக்கப்பட்ட பக்தசிங், ராஜ்குரு, மற்றும் ககதேவ் ஆகியோர் ஆங்கில அரசின் 24 - வது அகவையில் 1931 - ஆம் ஆண்டு, மார்ச் 23 - ஆம் தேதி தூக்கிலிடப்பட்டார்கள்.

ஒரு போராட்டியின் வாழ்க்கை என்பது வெறும் சரித்திரம் மட்டுமல்ல, அது ஒரு பாடமும் கூட. இன்றைய இந்தியாவில் எத்தனையோ இளைஞர்களுக்கு முன்மாதிரியாக விளங்கும் பக்தசிங் வாழ்க்கை போற்றத்தக்க ஒன்றாகும். விடுதலைப் போராட்ட உணர்வுகளை மாணவர்கள் மற்றும் இளைஞர்கள் மனதில் விதைத்திட, தன் மரணத்தையே பரிசாகத் தந்த மாபெரும் போராட்டி வாழ்வதன் மூலமாக மட்டுமல்லாமல், இறப்பதன் மூலமாகவும் ஒரு சகாப்தத்தினை உருவாக்க முடியும் என வாழ்ந்துக் காட்டியவர் அவர் வாழ்ந்த வாழ்க்கை காலம் குறுகியது என்றாலும் நூற்றாண்டுகளைக் கடந்து சுமந்து நிற்கும் என்பதை நாம் அனைவரும் நினைவில் கொள்ள வேண்டும்.

ஜெய்ஹரிந்த்
