Measurement of Length

Class: III A&B

Subject: Mathematics

Through the activity of planting seeds and regularly measuring the height of the plant, Class III students gained a clear and practical understanding of measurement of length. They learned how to use a scale or ruler accurately, how to record measurements in centimeters and how to compare the growth of the plant over time.

This hands-on activity also helped students develop observation skills, understand the importance of consistent measurement and appreciate how mathematics is used in real life, especially in nature and plant growth.

11th Sub Junior Softball State Championship 2025-26

We are extremely proud to announce that our talented students Lathika, Vanya Singh, Prathiksha, Deepak Sagar, Omkar, Tharun and Jagan Teju represented our school in the 11th Sub Junior Softball State Championship 2025-26 and secured an impressive 4th Position. The event, held at St. Antony's Hr. Sec. School, Manjampatty, Manapparai, Trichy from 21st to 23rd November 2025, showcased their outstanding teamwork, dedication and sporting excellence.

We extend our heartfelt congratulations to both the Girls' and Boys' teams for their remarkable performance and for bringing pride to our school. Their achievement reflects their hard work, discipline and passion for the game. Well done champions! We wish them continued success in future tournaments and endeavors.

Mithra Habba – 2025

On November 30th 2025, our school had the privilege of hosting the Mithra Habba program, which provided a unique and enriching experience for all participants. Among them were students with autism, who actively engaged in the activities and gained new experiences. The program was thoughtfully designed to be inclusive, ensuring that every student, regardless of their abilities, could participate and benefit. Through this initiative, students with autism were able to develop new skills, form connections and feel more integrated into the school community, making it a memorable and impactful event for everyone involved.

Inter School Sports Meet - Asian Christian School

Our students participated in the Inter School Sports Competition held on 06.12.2025 at Asian Christian School, Hosur and made us proud with their remarkable achievements. Chinthana secured 3rd place in both 100mts and 200mts events, showcasing her excellent performance. Our 4x100 mts relay team, consisting of Evaline Melanie (XI), Lathika (VIII), Chinthana (VII) and Keerthana (VI) won 2nd place with great teamwork and determination. Congratulations to all the students for their outstanding success.

Communication Models & Role-Play

Class: I
Subject: EVS

Children brought different types of communication models from home, such as telephone, mobile phone, letterbox, TV, radio and newspaper. In the class, each child showed their model and explained what it is used for. After that, they performed a short role-play to demonstrate how the communication works.

For example, some children acted like sending and receiving letters, some pretended to make a phone call, and others showed how messages are shared through TV or radio.

The activity helped children understand the difference between old and modern means of communication while building their public speaking confidence.

Means of Communication

Class : II-B

Subject : EVS

The children made a chart showing how communication systems have changed from olden days to the present. They learned that in the past people used postcards, letters, messengers, pigeons, and telegrams to share messages, which took a long time to reach. Later, communication became easier with landline telephones, radios, newspapers, and television. Finally, they understood how modern communication has become very fast through mobile phones, email, internet, and social media. Through this activity, the children clearly understood the difference between slow communication of olden days and instant communication used today, and they also learned how technology has improved the way we connect with others.

Watercycle

Class : III

Subject : EVS

In this activity they understand the stages of the watercycle:evaporation,condensation, precipitation, and collection.They observed how water changes its form in nature.They observed physical changes in water through hands-on experience.They can explain how the water cycle maintains the availability of water on Earth.

Timeline

Class: V

Subject: Social science

- Timeline helps the students to understand the chronological sequence of historical events.
- It helps to develop critical thinking and analytical skills by placing events in context.
- It helps to visualize and retain information more effectively through a visual representation.
- Students will demonstrate an understanding of the sequence and significance of events.
- They will develop their teamwork and communication skills.
- The timeline will serve as a visual aid for better retention and recall of information.

The Pied Piper of Hamelin

Class : V

Subject : English

The students of Grade 5 performed a lively role play based on The Pied Piper of Hamelin. Each child took on a character from the story and brought the scenes to life with expressive acting, clear dialogue and creative use of simple props. The activity helped them understand the sequence of events, the theme of responsibility, and the importance of keeping one's promises. Students confidently presented the story in groups, showing teamwork, imagination and stage presence. Their enthusiasm made the classroom feel like a real theatre and the role play turned into a fun-filled learning experience that strengthened speaking skills, cooperation and comprehension of the lesson.

CLASS-VII A & B

Parts of A Flower

Class : VII - A&B

Subject : SCIENCE

In this activity

Students identify and label parts of a flower accurately. They understand the role of each part in Reproduction and also develop hands-on observation and scientific inquiry skills.

Forest our life line PPT

Class : VII

Subject : Science

In this PPT Students speak clearly and confidently while presenting. They explain the topic using correct concepts and vocabulary. They create slides using appropriate fonts, layouts, and design. They insert images, charts or diagrams correctly in the PPT. They use multimedia elements (images, videos, audio) to enhance understanding. They present ideas in a unique and engaging manner. They develop confidence to speak in front of a group. They maintain eye contact, posture and proper body language. They present within the allotted time. They plan and practice their PPT in advance.

Debate on "Social activities are a waste of time and resources".

Class : VIII

Subject : Social Science

Debating the statement "Social activities are a waste of time and resources" offers students an opportunity to explore the crucial role these activities play in personal and community development. Engaging in this debate encourages critical thinking, helping participants assess the mental, emotional and physical benefits that social interactions provide. It also fosters public speaking and argumentation skills, allowing students to articulate their views confidently and persuasively. Moreover, this activity promotes teamwork and collaboration as students work together to build strong, evidence-based arguments. Ultimately, participants gain a deeper understanding of the positive impact of social activities on both individual well-being and societal growth.

Junior Sports Meet

Our students showcased remarkable performance in the Junior Sports Meet held on 07/12/2025, organized by HFA Fitness Academy at 7 Eleven Ground, Karapalli – Hosur. A total of 18 students participated and made us proud by winning 35 medals across various athletic events. Adding to this achievement, our Under-8 and Under-12 Boys were crowned Individual Champions, demonstrating their talent, commitment and sportsmanship. Congratulations to all the young champions for their outstanding success and continued hard work!

Bharathiya Day

On December 11, 2025, Rockford School celebrated the birthday of the legendary poet and freedom fighter, Bharathiya, with a heartfelt tribute to honor his immense contributions to Tamil literature and Indian independence. The students showcased their talents through a variety of performances, including an inspiring rendition of one of Bharathiya's iconic songs, which resonated with patriotism and national pride. Additionally, a moving speech highlighted his vision for a progressive and free India, drawing attention to his revolutionary ideas. A spirited debate followed, where students passionately discussed the relevance of Bharathiya's ideals in today's society, reflecting their understanding and admiration of his work. This event was a meaningful way for the students to connect with the legacy of Bharathiya and keep his ideals alive in the hearts of the younger generation.

Classroom Management

Academics Vice Principal Mr. Stephen of Rockford Senior Secondary School led a comprehensive and dynamic workshop on Classroom Management that empowered teachers with practical strategies for building positive learning environments, establishing clear routines, enhancing student engagement and managing behaviour with confidence. The session provided teachers with effective tools to create structured, student-centered classrooms that foster focus, participation and meaningful learning.

Library Best Book Reviewers

In November, the Library's Best Book Reviewers were recognized for their insightful contributions to reading and critical thinking. Ms. Jossitha Varsni (VI), Ms. Payalkumari (VIII A) and Mr. Aadhithram (VIII B) were celebrated for their outstanding reviews, which demonstrated a deep understanding of literature and inspired their peers to engage more with books. To further encourage their efforts and foster a love for reading, the school presented them with certificates of appreciation.

11th Junior State Softball Championship – 2025

Our students brought pride to the school by winning the Silver Medal at the 11th Junior State Softball Championship – 2025, organized by the Erode District Softball Association. The event was held on 5th, 6th and 7th December 2025 at Sasurie Group of Institutions, Vijayamangalam, Erode, Tamil Nadu.

Congratulations to our achievers:

Dharshan Renu – Class XI

Vamshi Bhargav – Class XI

Chandhu – Class X

The School Management, Principal, and Staff extend their heartfelt congratulations to the students for their outstanding performance, dedication and teamwork. Their achievement is truly commendable and an inspiration to all.

Library Quiz Competition

The Library Quiz Competition was a thrilling event, where students from four houses—Rock Warriors, Rock Legends, Rock Defenders and Rock Conquerors—competed with enthusiasm and knowledge. Each team demonstrated excellent preparation, answering questions with confidence and accuracy across various categories. The participants showcased their critical thinking skills and love for reading, making the competition both engaging and educational. The event not only highlighted the students' intellectual abilities but also promoted teamwork and healthy competition. It was a great success, encouraging everyone to explore more and learn through books.

Medical Camp

A Medical Camp was conducted at the school campus, offering students a valuable opportunity for a health checkup. Led by Dr. Roshini V, along with her assistant Ms. Sai Renu, the camp focused on ensuring the well-being of students through thorough health assessments. The event was highly beneficial, with students receiving important health advice and early detection of potential issues. Both Dr. Roshini and Ms. Sai Renu provided professional guidance and support, making the camp a success. This initiative emphasized the importance of regular health checkups and caring for one's physical well-being.

Parents - Teachers Meeting - 2025

The school conducted a Parents-Teachers Meeting today focused on improving students' performance and enhancing their skill sets. The meeting provided an opportunity for teachers and parents to discuss individual student progress identify areas for improvement and share strategies to foster both academic and personal growth. Emphasis was placed on the importance of collaboration between home and school to create a supportive environment that encourages learning, skill development and overall success. Both parties agreed on the need for ongoing communication to ensure that students reach their full potential.
